DOLBY SYSTEM

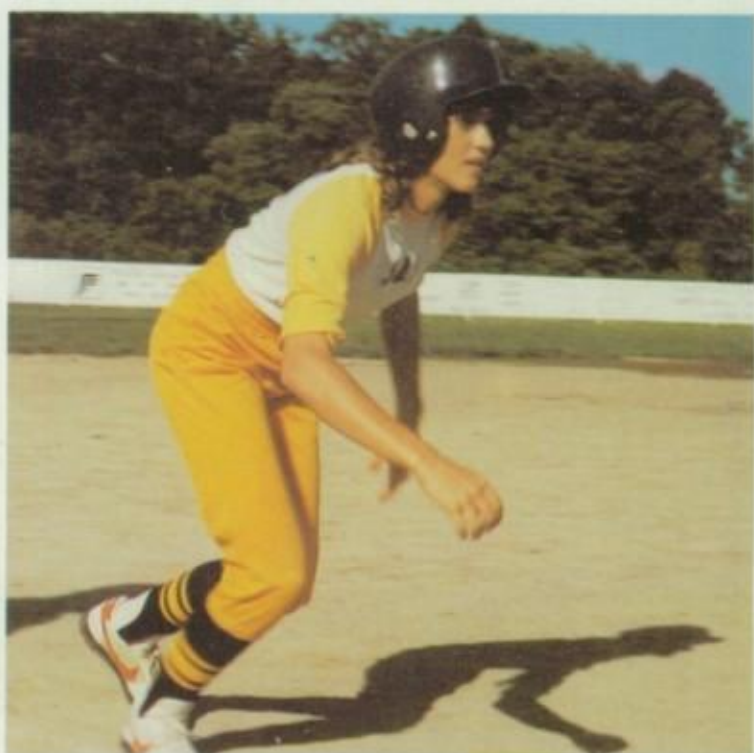

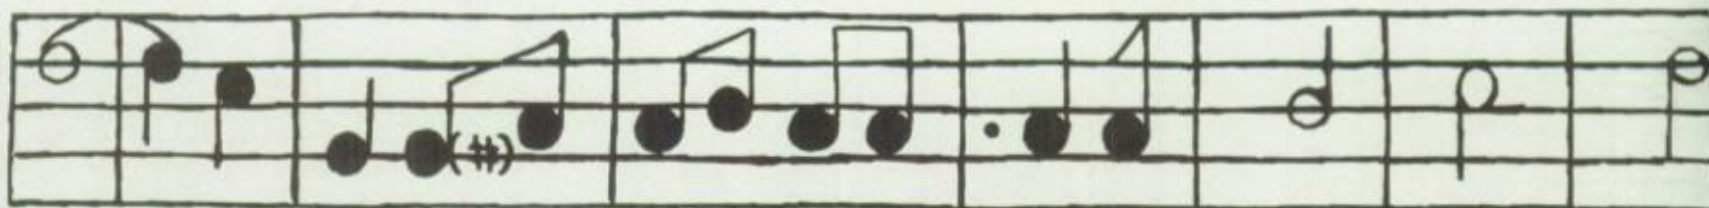

Music Is the Common Language

Each note of music in a song is different as is each student at Jay Public Schools. As notes combine to make a verse, students combine to form friendships. Verses come together to make a song; groups of friends make a grade. Sometimes, an arrangement of songs produces a solid gold cassette, just as our different grades created an award-winning Jay Public School year.

CLASS SPONSOR NAVADA JEFFRIES

For the second consecutive year Navada Jefferies was selected sponsor for the class of 1984. Mr. Jefferies who is the auto mechanics teacher dedicated 8 years of teaching to JHS. He constantly shows his ability to unite the class and promote school spirit. He is greatly appreciated and will be missed by the graduating class of '84.

SENIORS' WHO'S WHO

BEST LOOKING

Brian Elder
Both Brian and Leslie were voted Best Looking but the seniors didn't mean first thing in the morning.

Leslie Hansen

MOST SCHOOL SPIRIT

Will Rogers
With two people like Will and Mashell showing so much spirit, that's all the crowd you'll ever need.

Mashell Hedgpath

BEST PERSONALITY

GUY LASSWELL
Guy and Cheryl were voted Best Personality because they're always able to knock the chip off someone's shoulder.

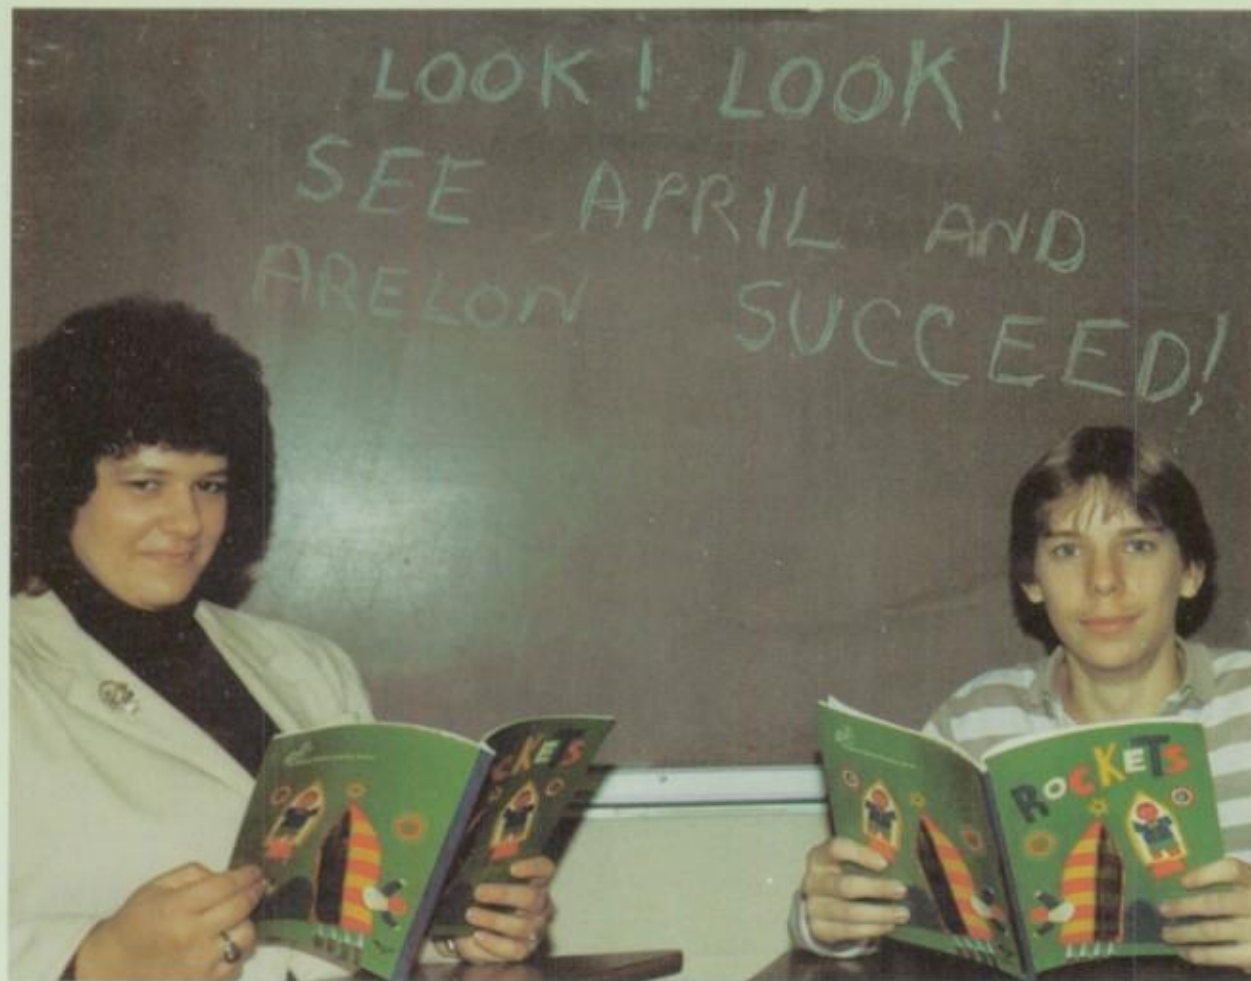

CHERYL KING

MOST MUSICAL

John Page Robinson
We finally found an instrument both John and Tresa can play.

Tresa Stevenson

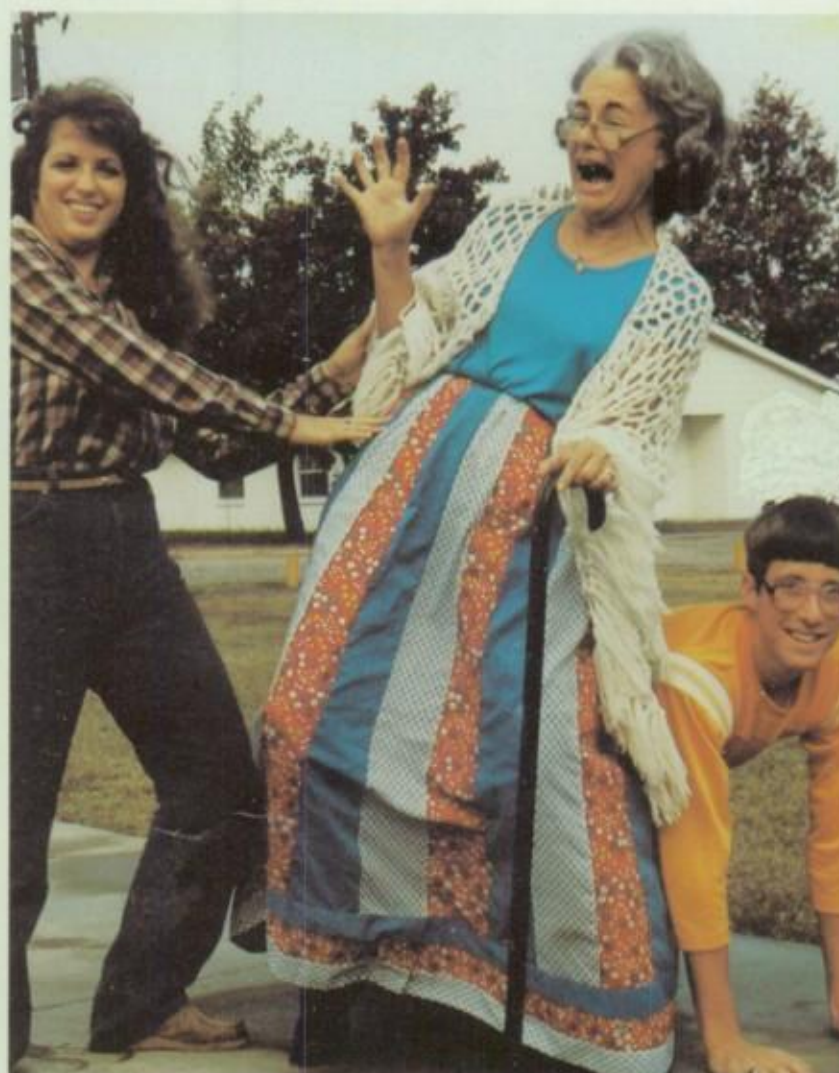

MOST LIKELY TO SUCCEED

April Barron Arelon Floyd
When the seniors voted April and Arelon Most Likely to Succeed, they hoped they would have at least made it to the third grade reader.

MOST COURTEOUS

Darren Scroggins Jamie Hollenback
When the seniors elected Darren and Jamie Most Courteous, they didn't know about their after-noon hobbies.

TEACHER'S PETS

Carl Holt Angie Crouch
Both Carl and Angie work like dogs to please. Why else would they be named Teacher's Pet.

CLASS CLOWNS

Duane Graham Michelle Chastain
There's never a dull moment for any teacher with Duane and Michelle's clowning around.

BIGGEST FLIRT

Porkie Allen Julie James
We wonder when Julie and Porkie rate someone whether they rate the whole person or just parts. No wonder they were voted Most Flirtatious.

MOST POPULAR

Jeff Kirby Noma Coble
Adoring fans will carry any burden for the popular Jeff and Noma.

MOST ATHLETIC

Tim Barnwell Michelle Denny
When you're the Most Athletic person like Tim and Michelle, you spend a lot of time with your bags packed and on the road.

TEACHER'S PESTS

Ralph Richardson Cindi Burkett
Even bug spray can't stop Ralph and Cindi from being Teacher's Pests.

Dogs against drugs were introduced to the Jay School system this year. The labradors, Archie and Wolf, are able to smell most types of controlled substances. The dogs are not only used as a deterrent of drugs in school but are needed to educate students in the dangers of drugs.

BULLDOGS DOMINATE MID-SEASON

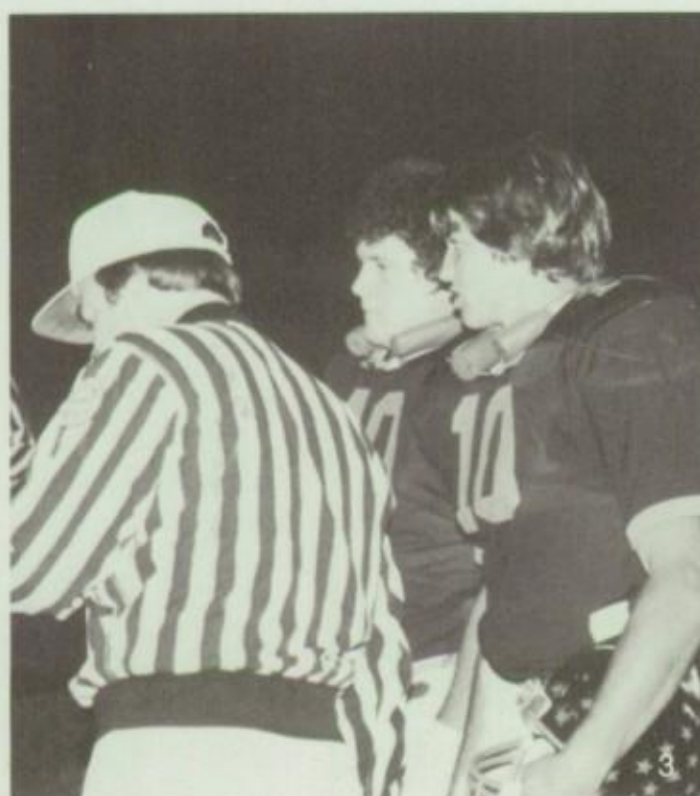

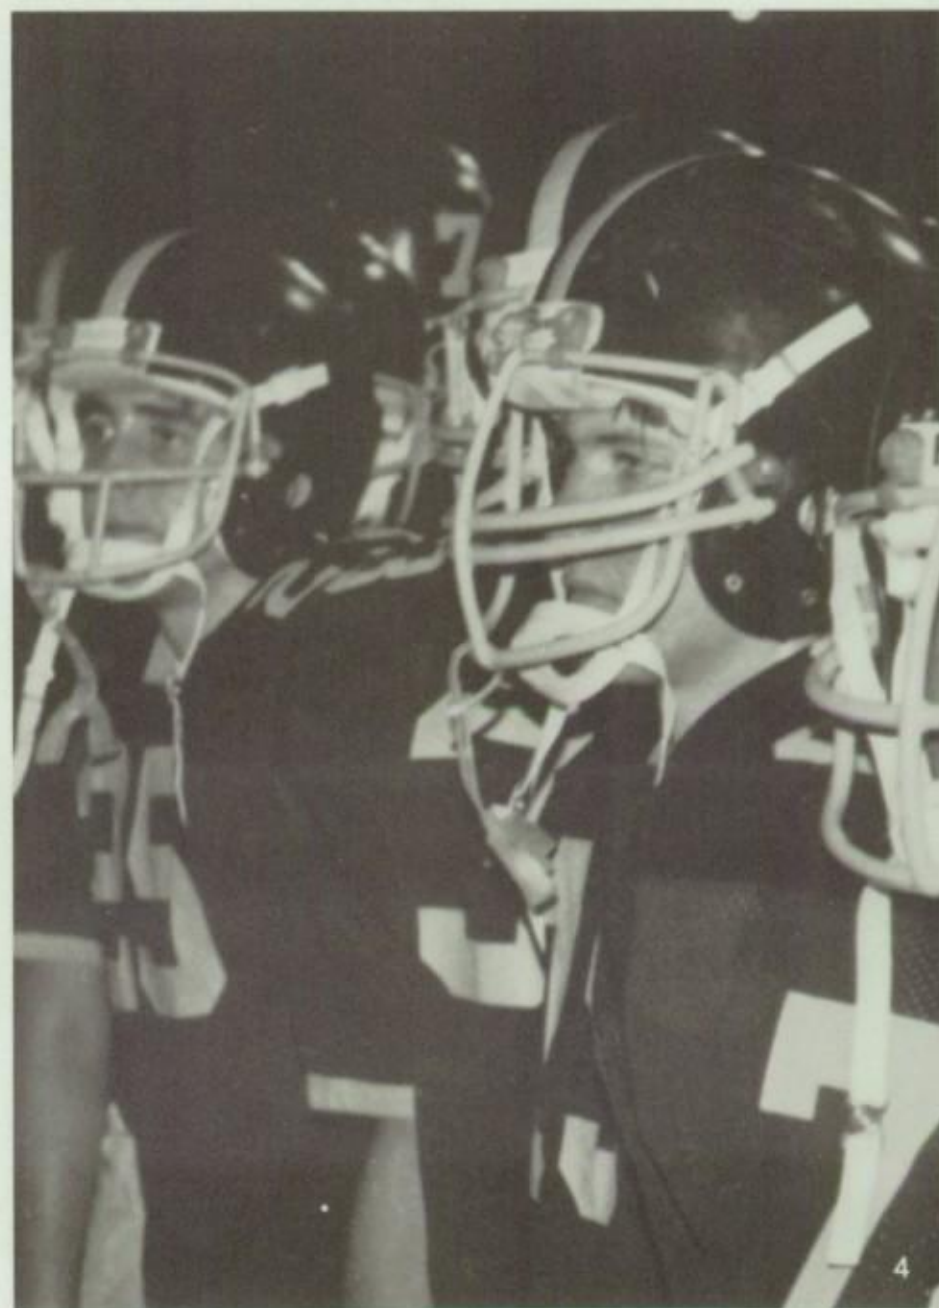

The high school Bulldogs football team had their best season since 1977; the highlight of which was a six game win streak. Excellent defensive play brought home four shutouts for the Bulldogs over the Commerce Tigers, Stillwell Indians, Gentry Pioneers and Locust Grove Pirates. These shutouts combined with overpowering offensive play to let Jay outscore their opponents 151 points to 76. Other coaches around the area said that the Bulldogs were "the hardest hitting team" in class 3A football.

Injuries stepped in and plagued the offensive unit in the closing weeks to prevent them from making the trip to the playoffs even though they had a 6-4 record which was better than some other teams that made the trip.

WRESTLERS BREAK RECORDS

Jay's varsity wrestlers hit an all-time high this year when they completed the year ranked eighth in the state.

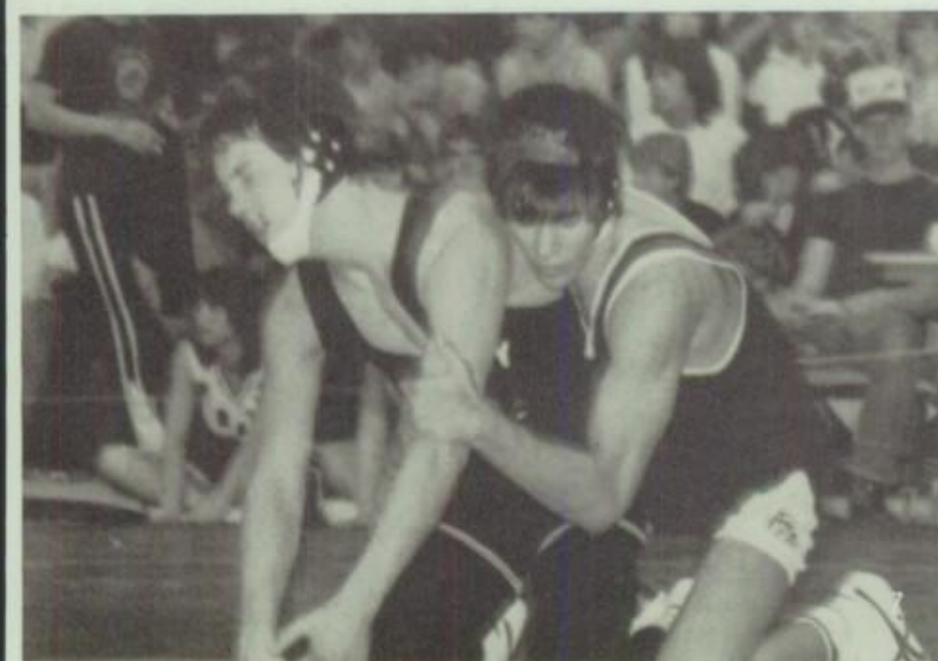

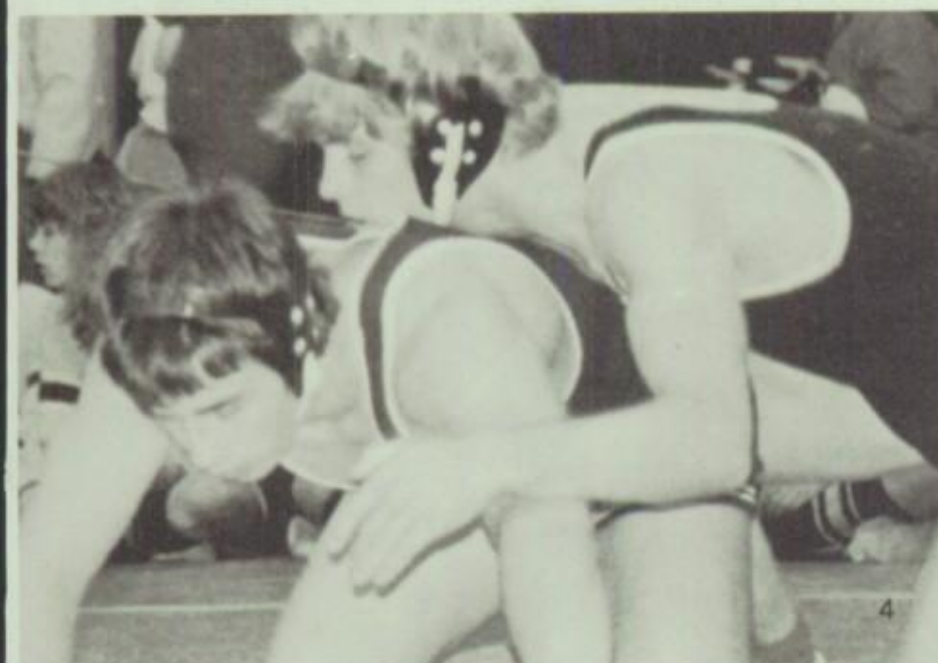

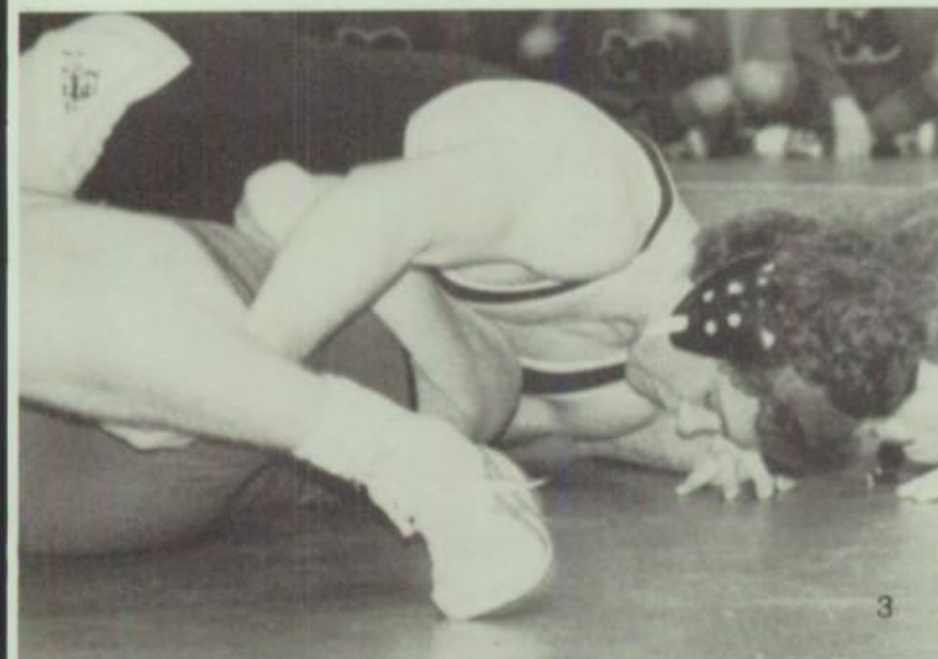

Along the way to the teams top finish ever, the Bulldogs left their mark when they rewrote the school's history books by either breaking or tying over thirty existing records.

Among these was the most regional tournament placers. This was done by Ron Payton at 136 pounds, Brian Elder at 168 pounds, Todd Davis at 190 pounds, and heavyweight Tim Barnwell. Not only did these men place, but they were all in the finals.

Barnwell set another school record this year when he placed in the state tournament for the third year in a row. This year he captured third while Davis took second to give Jay three straight state runners-up at 190 pounds.

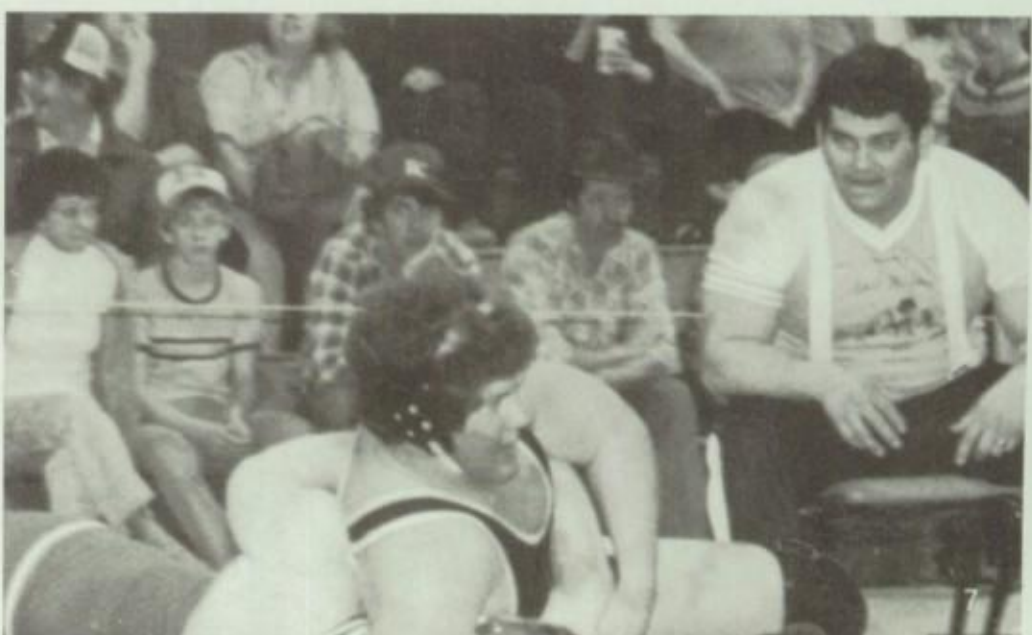

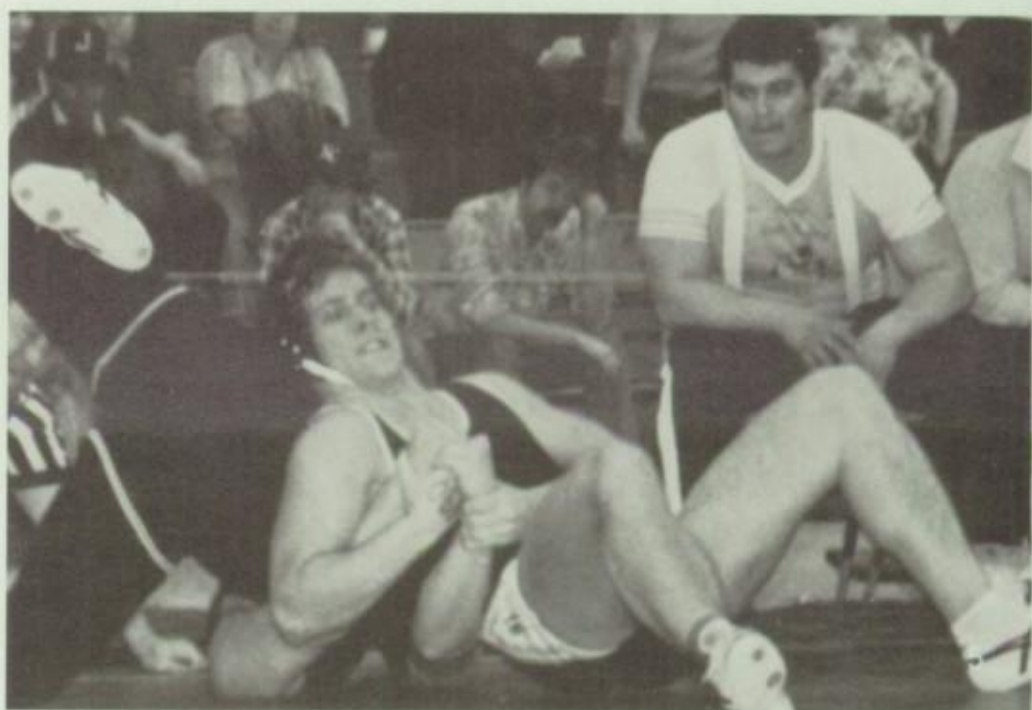

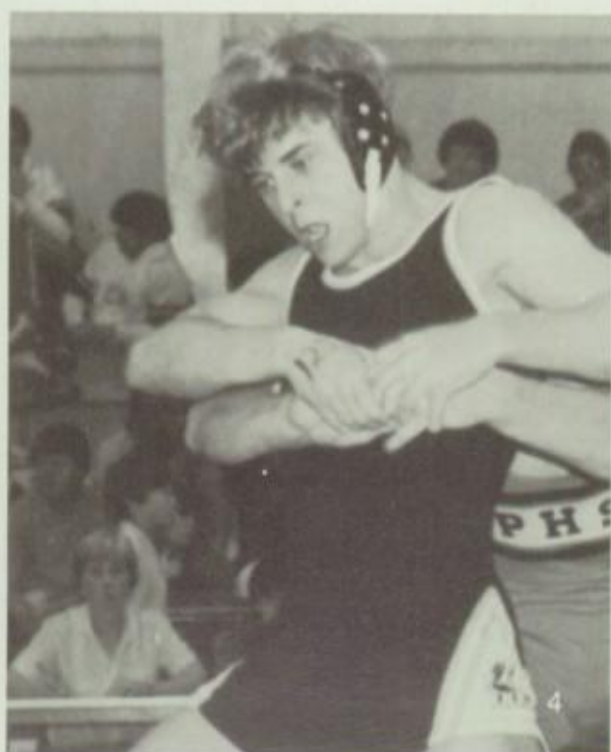

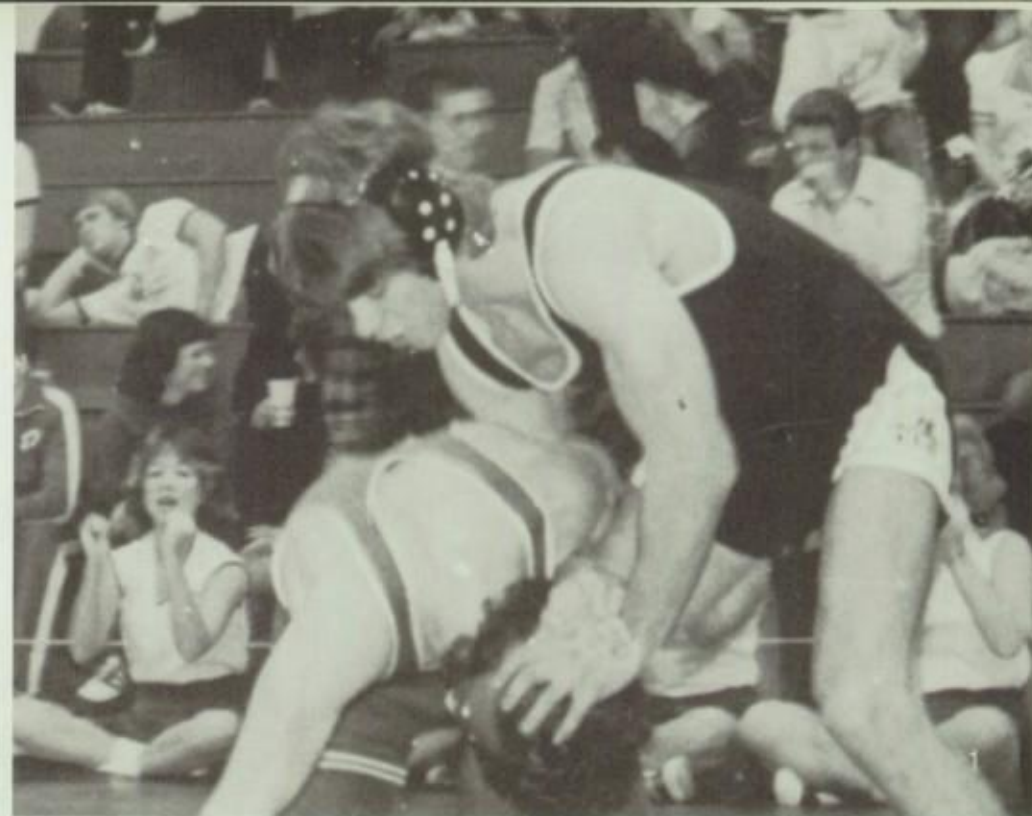

Overall, the Bulldogs took on much tougher competition this year by squaring off against top ranked teams from three states and all five classifications.

The wrestlers also took a second place finish at Wagoner and a third at Salina to make this the best year in Jay's wrestling history.

1. Kiss that mat!
2. Looks flat to me.
3. This hurts me worse than you.
4. Watch your hands! FRESH!
5. "I pity the fool!"
6. What did he say?
7. Lullaby and goodnight.

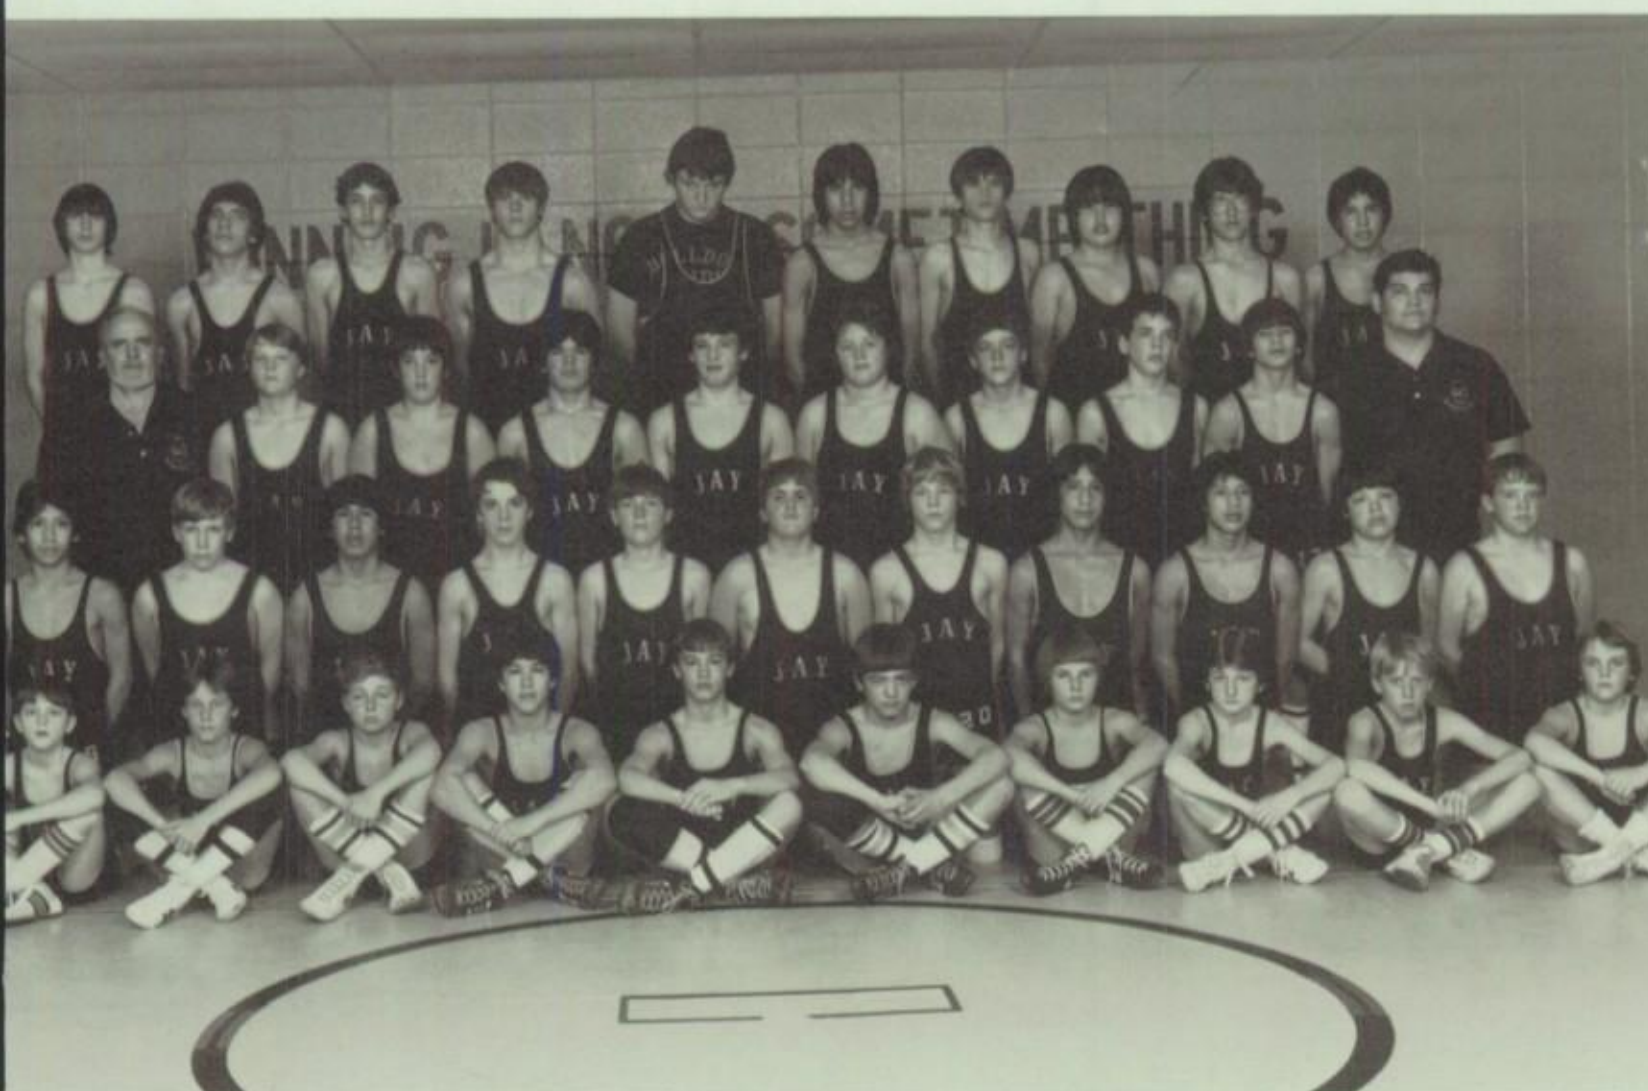

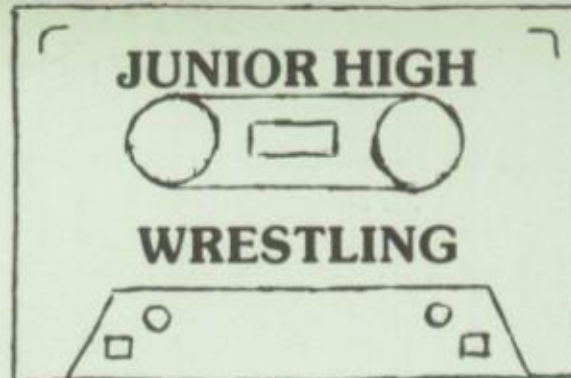

Jay's junior high wrestlers also had an exceptionally good season this year placing in the top five in every team tournament that they participated in.

This included a fourth place finish in the sixteen team Malina Tournament. In this tournament, the Bulldogs were led by freshman Bill Bush who, after pinning all of his opponents in the first period, was voted the tournament's outstanding wrestler.

The first team also took on some of the toughest competition in the state at the Westville tournament where they walked off with a fifth place team finish. In this tournament, the junior high was led by Jesse Hodge who not only easily won his weight class but also won this tournament's outstanding wrestler award.

The conference tournament went equally well when the junior high brought home a fourth place finish to end their season.

Lady Bulldogs Finish Strong

During the 1983-84 basketball season the Lady Bulldogs worked very hard setting out to achieve their goals. The Lady Bulldogs were a relatively young team with only two seniors, Patricia Cornshucker and Michelle Denny. Starting off the season the team traveled to the Mid-America Classic Tournament in Ada and placed seventh. They proceeded to the Jenks Invitational Tournament where they placed second after Collinsville. Here, they were defeated by only ten points. Going into the play-offs the Lady Bulldogs finished second in Districts and participated in Regionals. The Lady Bulldogs tied for first place in Conference. They finished with a good season having twenty wins and only six losses.

1. Out of my way!
2. I can do this in my sleep.
3. I never could bowl.
4. He was that tall.
5. Egyptian basketball.

VARSITY **BASKETBALL**

The Bulldogs experienced one of their best seasons in years. Through much dedication and a lot of hard work they achieved many of their goals. Senior team members included John Bell, Ralph Richardson, Darren Scroggins, Dean Starr, and Randy Talley. The Bulldogs began their season by placing 2nd in the Grove Tournament. Here, they lost by a mere 3 points. As the season continued so did the victories. The Bulldogs tied in Conference with Salina. The team continued to capture 1st at District. They also participated in regionals. The season concluded with an excellent record of sixteen wins and only seven losses.

To make the best better and the strong stronger is not only the motto of the 4-H, it is also the purpose of Jay High school's off season program. Under the direction of coaches Brown and Tanner, the athletes lift weights, do agilities, and review formation and plays for the year to come. The best of this group also compete against each other for a spot on the weight lifting team which travels around the area competing

With the strongest athletes from other schools. This year's team participated in several meets claiming medals at all of them. Thanks to this program, much improvement is being seen.

The Lady Bulldogs had a very young squad this season with only two seniors starting. One of them, Michelle Denny, earned second place in the nation for most bases stolen in a season. Sophomore, Angie Houck, and Freshman, Shannon Lane, shared the pitching chores for the Lady Bulldogs, and helped advance the team to Regional play by defeating the Salina Wildcats 13-7. Though the Lady Bulldogs were defeated in Regionals by Oologah, the experience gained should lead to better seasons in the future.

VARSITY

BASEBALL

The Bulldogs experienced an outstanding season this year because of much hard work and effort. They ended with 9 wins and 2 losses, both of which were by minimal margins. Seniors Ronnie Chewey and Billie Herrington led the team to many of their victories, with their batting and catching ability. The Bulldogs also participated in District.

BUILDING YEAR IN TRACK

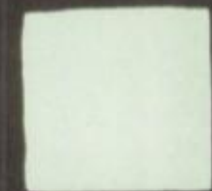

Jay's men's varsity track team set a new school record as they sent six individuals to the state track meet.

The running events for the Bulldogs were led by senior Randy Talley and Alex Chadwick during the state meet. Chadwick was one of the only freshmen in the state to go to state.

During the regular season, however, Jay was led by its relay teams which were made up of all underclassmen.

Brian Elder led the field events with a first place finish at nearly every meet this year. Elder was the only bulldog to place at the state meet this year when he leaped to a fifth place finish in the pole vault.

Elder was followed closely by Pat Hanley and Kenny Kemple in the pole vault and Bill Jones and Darren Buzzard in the discus. All of these qualified for state and all but Elder will return next year to lead the Bulldogs.

VARSITY GIRLS TRACK

TOPS IN TRACK

The Lady Bulldogs raced to one of their best seasons ever this year as they claimed the conference title and fifth in the region and state.

Michelle Denny led the Lady Bulldogs this season in the field events where she claimed a first at every meet including state. This gave Denny her fifth state title. Denny was also strong in the running events where she led the two mile relay team to the state meet.

Denny was one of only two seniors on the team which allowed the underclassmen to get some much needed experience. Among these, Theresa Larson was at the top of the heap as she anchored the two-mile relay and also went to state in the 800 meter run. The rest of this team was composed of Angie Houch and Janet Dunaway. Both of these young ladies will also return to keep Jay on top in track.

FHA BANQUET

The annual style show was successful again this year with many attractive articles made and modeled by students of Home Economic classes. The banquet was highlighted by guest speaker Winston Dunaway from the Human Services Department. The program was then concluded with the installation of officers for the '85' class.

With a 10.84 grade average, on a 12 pt. scale, Linda Smith has been named Valedictorian. Linda has been active in Student Council, FBLA, FHA, FCA, basketball, track, and MYF. She's served as secretary in both Beta Club and Nike. Her honors include Jay and State honor society and the United States Business Education Award. Elementary education is in her future plans. Linda wants to teach in a Christian pre-school.

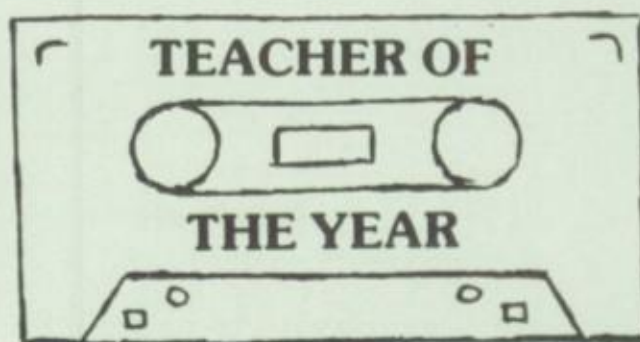

SALUTATORIAN	VALEDICTORIAN
WILL	LINDA
ROGERS	SMITH

Will Rogers, class salutatorian, carried 10.70 grade average. Will's honors include freshman class president, sophomore class vice-president, junior class vice-president, senior class president, FCA reporter, and vice president, Beta Club president, and co-editor of the Bulldog Growl. He has been active in two years of track and three years of wrestling. Will's future plans include college and being successful.

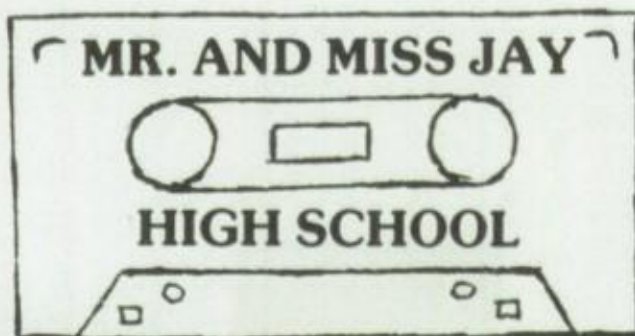

Jean Heard was selected as Teacher of the Year. Mrs. Heard has been teaching for 17 years all of which have been at Jay. Mrs. Heard's philosophy of Teaching is that each student should be taught individually where they can learn at their own speed. Mrs. Heard plans on teaching until she can retire.

RETIRING TEACHERS

Thirty of thirty-eight years Ramon Harp has dedicated to teaching at Jay. He's taught grades first through eighth but currently teaches fifth. Education is a process by which people acquire knowledge, skills, habits, values, and attitudes to become a useful member of society. It should also help him develop an appreciation of his cultural heritage and live a more satisfying life. That is the educational philosophy of Mr. Harp. After retirement he plans to travel, farm, and be more involved with the church.

To try to help the child attain his maximum ability in learning is the philosophy of Audrey Harp. She's taught elementary grades but now teaches fourth. Of her thirty years teaching twenty-eight have been spent at Jay. Secretary of the Delaware County Education Association, District Officer of Classroom Teacher's Organization and former President of the Jay Classroom Association are some of Mrs. Harp's honors. She was also Teacher of the Year in 1979. Traveling, farming, and churchwork are also in her future plans.

Teaching second grade, language arts, health and coaching are just some of the jobs June Morrow has held. Her last year was spent teaching arts and crafts and serving as assistant principal in middle school. She's spent twenty-nine of thirty-six years teaching at Jay. Mrs. Morrow wants to help students function in society better. There is good in everyone and I want to help them realize that and develop to that end using common sense she stated. Her future plans include taking better care of her family and traveling.

Ola Mae Landon first started teaching when she thirteen and instructed a Sunday school class. Her teaching career continued and she spent seventeen of forty-three years teaching at Jay. Her philosophy stresses the whole child being taught. She feels if they don't feel right about themselves they won't learn as well. Mrs. Landon was Teacher of the Year in 1983. She hopes to do substitute teaching and stay in contact with the school. Traveling and attending Precepts, a Bible study, are included in Mrs. Landon's plans.

As we close another school year, it is time to thank the many people who helped us. I and the staff offer our deepest thanks:

To Mrs. Cheryl George and Mrs. Sharon Glenn who helped with some of the art and photos.

To Alan Roberts for his help in the darkroom when we ran behind.

To Mr. Brewster for his help, his understanding and his ability to solve most problems.

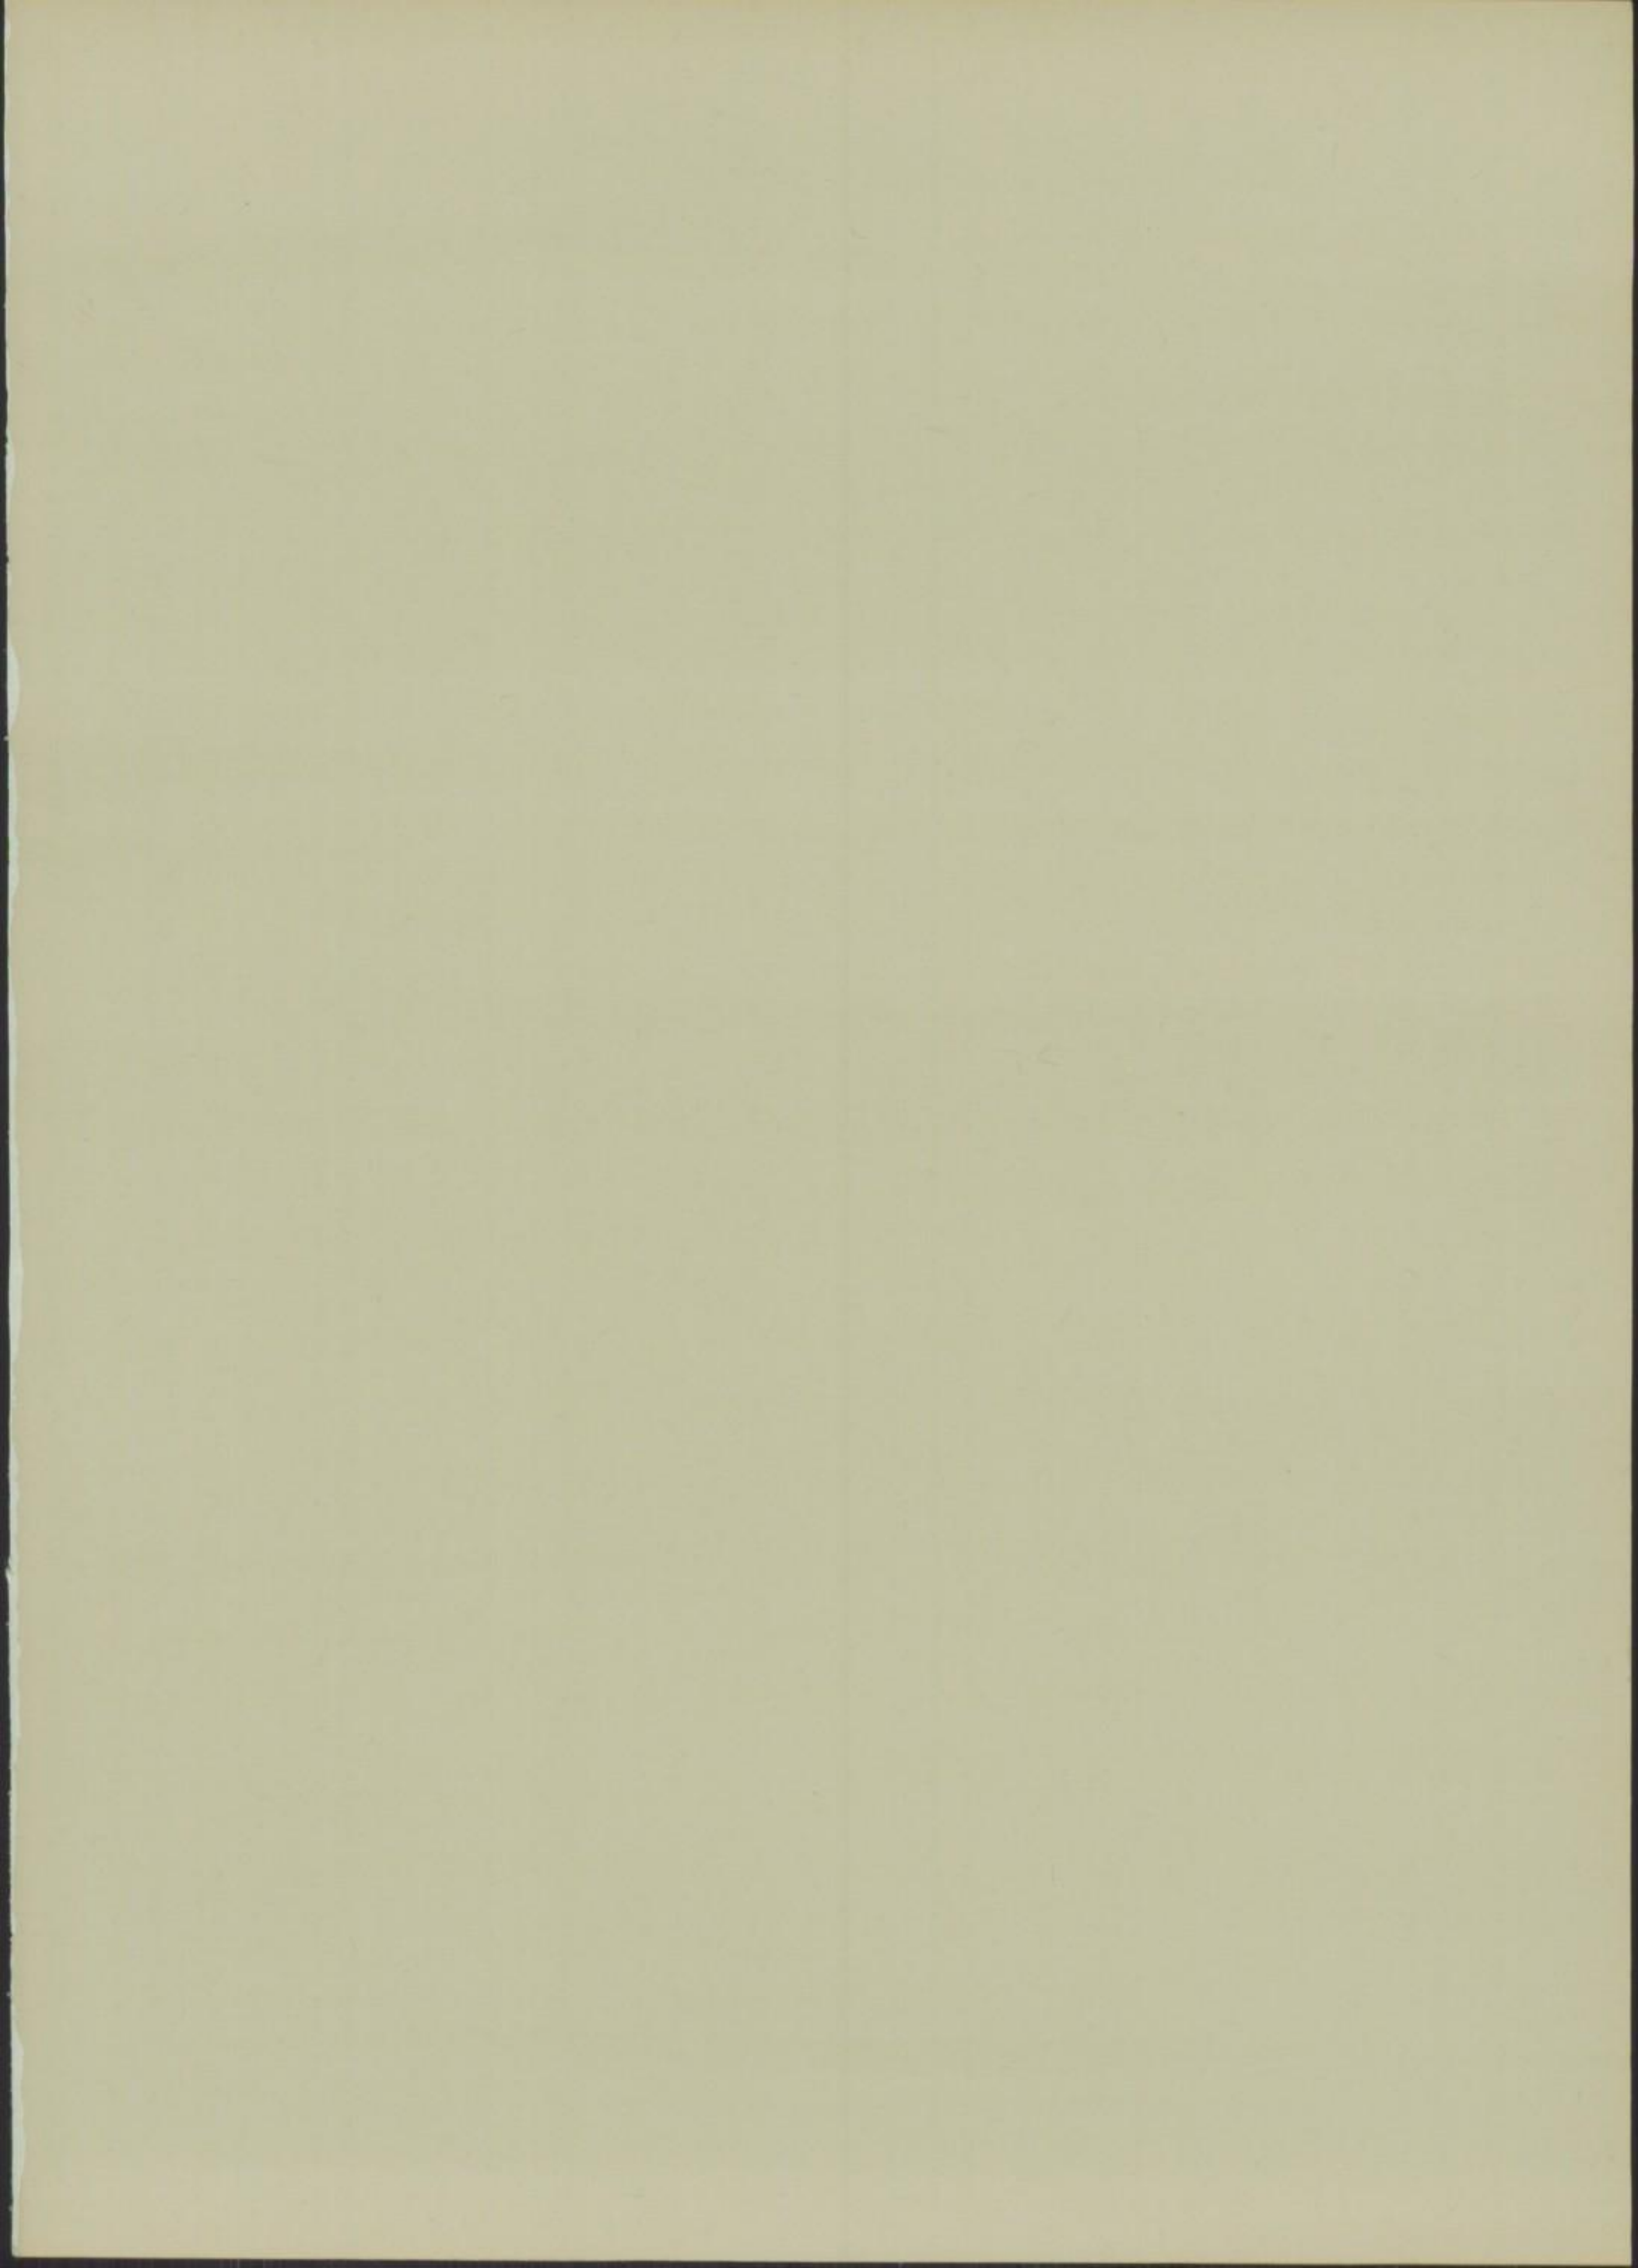

To the school secretaries who took the time to check our many copy sheets.

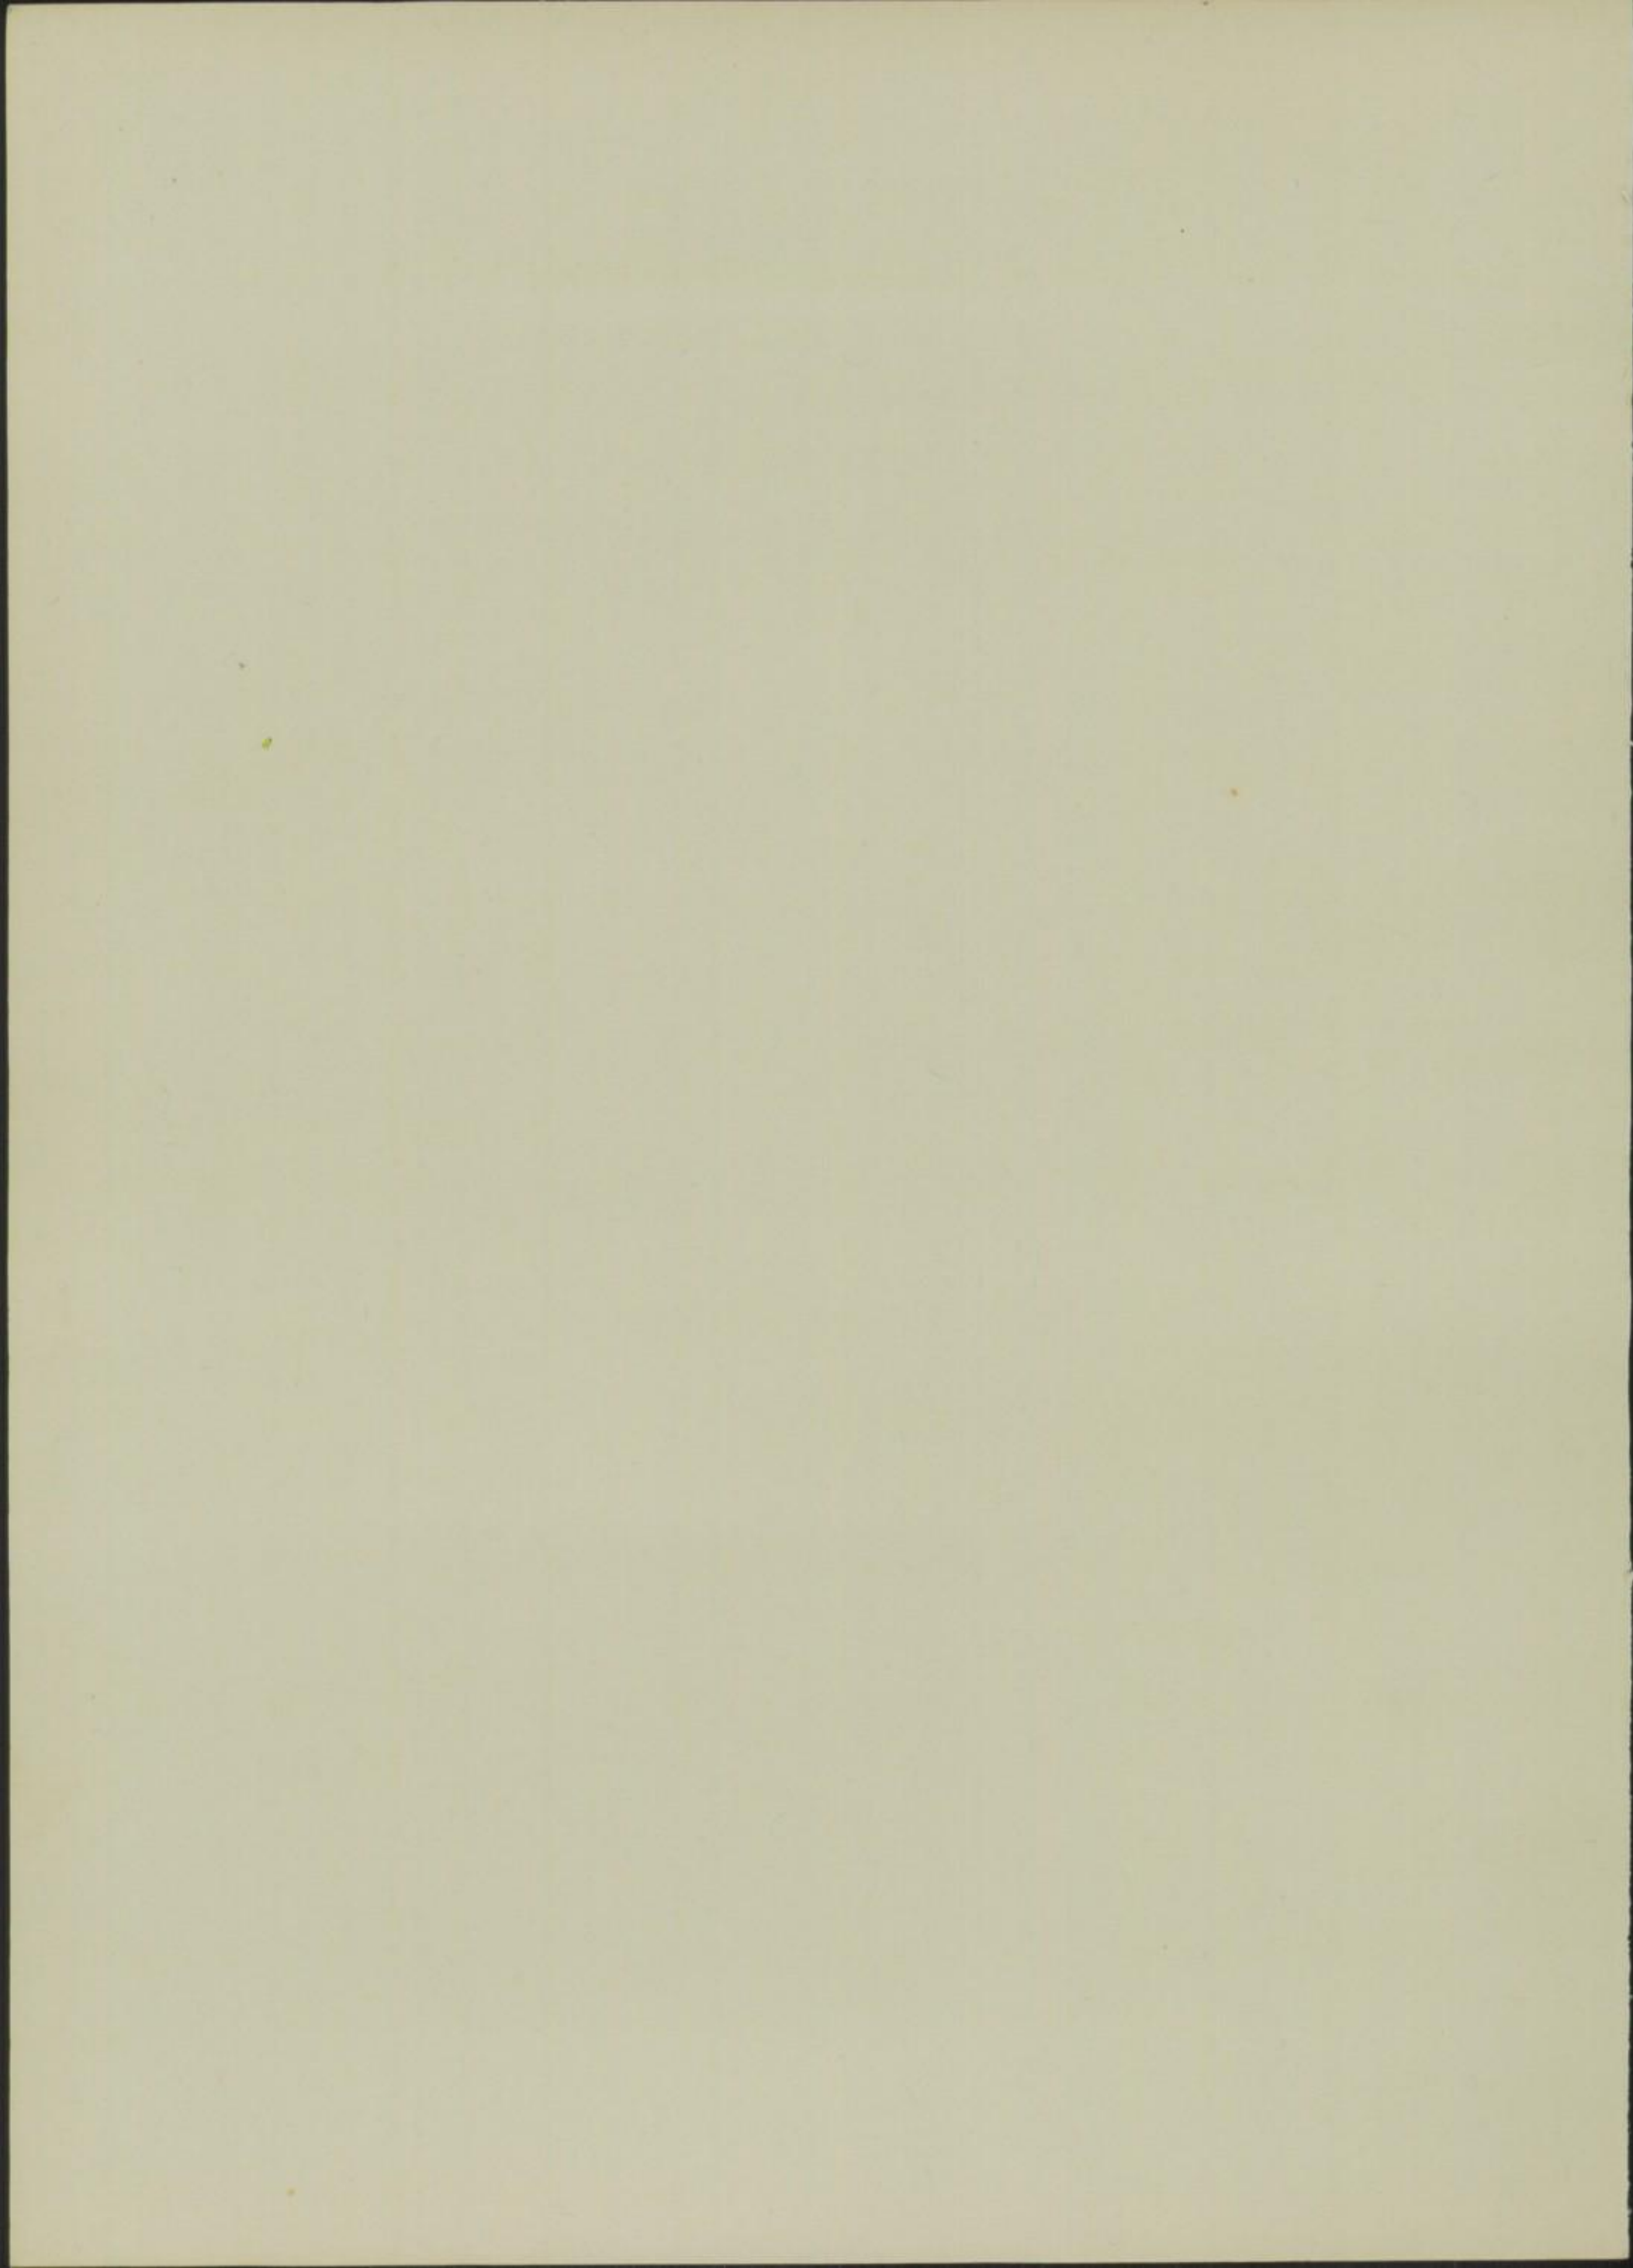

To our yearbook consultant, Terrye Myers, who worked to ease our deadlines, correct problems and being there when he was needed.

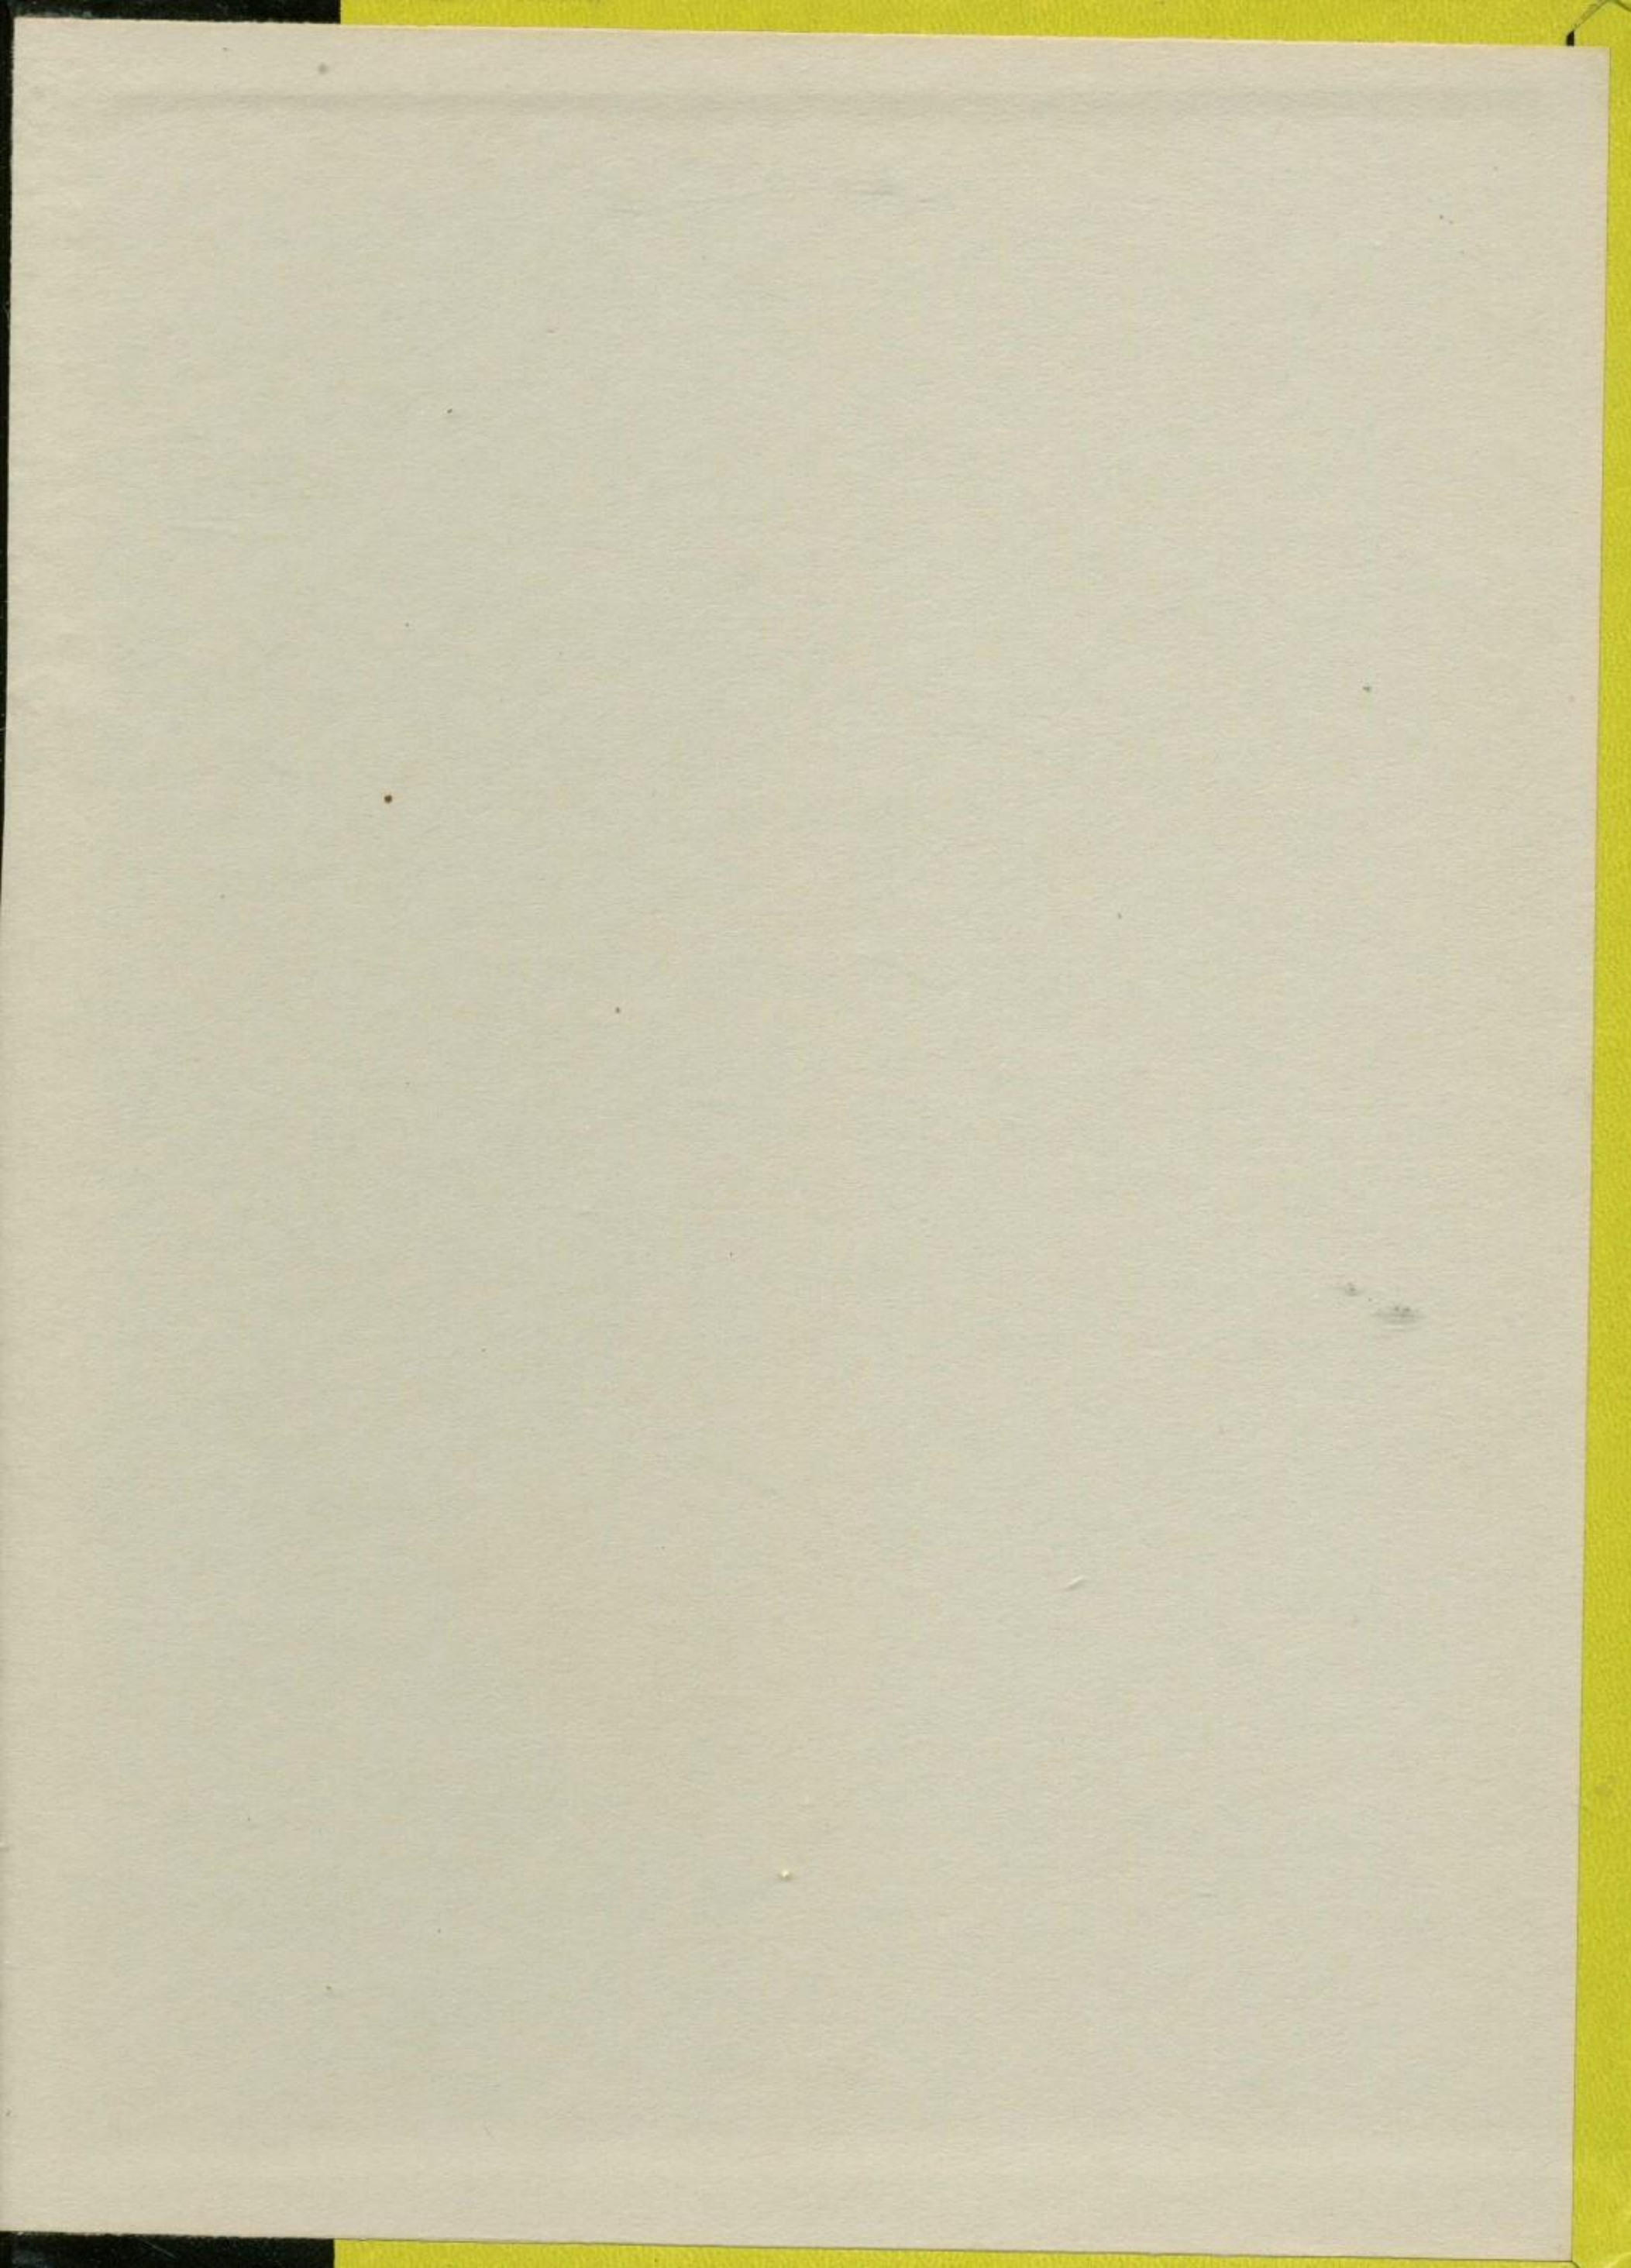

To my Staff — Goes the biggest thanks. They worked hard to get this book out and keep the costs down. They knew the difference between work and play, and when to do both.

To the edition, Carl Holt, not only did his job but saved the lives of the Staff a few times when I wanted to kill them. He helped save my sanity and kept the yearbook on track.

*Thank you, one and all
Stan Starts*
